Integrated Consultants, Inc. selected for Prestigious Nunn-Perry Award

Protégé firm Integrated Consultants, Inc. (ICI) San Diego, California, and Mentor firm Applied Research Associates (ARA) Albuquerque, New Mexico; were honored with a Defense Department, Office of Small Business Program's Mentor-Protégé Program Nunn-Perry Award. Ceremonies were held at the Gaylord National Convention Center, National Harbor, MD on Wednesday, March 10, 2010. Nunn-Perry winners are selected on quantitative program performance metrics that favorably impact, and enhance DoD mission requirements.

The Prestigious Nunn-Perry Award, named in honor of former Senator Sam Nunn and former Secretary of Defense William Perry, was first awarded in 1995 to recognize outstanding Mentor-Protégé teams formed under the auspices of the DoD Mentor-Protégé Small Business Program.

Accepting awards were Agreement program managers, David Aberizk, P.E. - ICI President, and Bryan Milligan, Ph.D - ARA Vice President, and Division Manager.

David Aberizk, "We are thankful to our DoD Sponsor, Joint Robotics Program, and their Government Liaison organization who are dedicated to supporting Small Business National Defense Contractors. Also to our Mentor, Applied Research Associates, for their approach to technical transfer, and the team's professional culture that helped foster creative technical relationships.

The entire ICI team is extremely gratified that our approach to innovative design and rapid prototyping of high-technology devices has been recognized for offering effective, timely, technology transition, enhancing technology speed to theater. We are proud to be able to support our war fighters, so many of whom are in harm's way."
